

Birkacre News

Autumn 2

Hope you had a lovely Half Term break!

Welcome back after the half term break. This term is going to be busy and fun filled. Please remember to watch out for the homework grid which will be out in the first week back, also the maths sheet. It was lovely to speak to you all during parents evening. Thank you for your support and keep going with the multiplication tables and reading.

This half term in Birkacre Class your child will experience a wide range of Mathematics and Literacy activities along with a Creative Curriculum topic called "Robots". During this topic the children will learn through music, science, history, geography and art. They will take part in a range of written and practical activities such as:

- Visit from the robotics department
- Design their own Iron Man
- Visit Leyland motors
- Writing explanations
- Creating artwork in the style of Eric Joyner.

Check out the Birkacre Blog on the school website at stjosephschorley.co.uk

Rewards

Each day we have a star of the day.

We also have a table of the week.

Author of the week has their work put up in the corridor.

In Birkacre your child will need to bring the following into school:
Reading book and Record **every day**
PE kit for Thursday and Friday
