

Astley News

Welcome back to school after the Easter holidays!

Summer One

Mrs France

We hope you've all had a relaxing and fun-filled Easter break and are ready for Summer term.

This half term we will be learning all about Minibeasts so prepare for even muddier hands than usual! In literacy we are exploring the book 'The Very Hungry Caterpillar', we will be building towards writing our own version of the story. In maths we will be recapping some previously learnt skills using greater numbers and looking at reasoning, asking how we know that is the right answer and why?

WATER BOTTLES

Please ensure your child comes into school with their water bottle every day.

READING BOOKS

Please read with your child every night when possible and let me know if they need their book changing more often.

Please visit our class blog on the school website for updates and photos

Look out for a letter coming soon all about our upcoming trip to Martin Mere.

Challenge: This half term I would like you to go on a Minibeast hunt and take pictures of any that you find to bring into school. It could be in your garden or at the park, let's see what you can find.

Please remember we must be very gentle if we are touching Minibeasts and must ALWAYS wash our hands afterwards.
