

Angry Earth!

Our topic after half-term is Angry Earth. We will look at things like volcanos and earthquakes. I would like you to complete 5 of these challenges by the 16th December (you can of course do more!) The higher the standard of work, the more house points you could earn.

<p>Make a 3D model showing the different layers that make up the Earth.</p> <p>Up to 20 hps</p>	<p>A tornado is about to hit, you can only save 3 items—what would you save? Why?</p> <p>Up to 10 hps</p>	<p>Write a diary entry as a Roman living in Pompeii when the volcano erupted.</p> <p>Up to 14 hps</p>	<p>Make a fact file about an active volcano.</p> <p>Up to 10 hps</p>
<p>Create a map of where different volcanos can be found—what do you notice?</p> <p>Up to 15 hps</p>	<p>Write a newspaper report the day after a natural disaster.</p> <p>Up to 14 hps</p>	<p>Create a picture of a lightning strike.</p> <p>Up to 12 hps</p>	<p>Make a model of a volcano (for extra housepoints, could you make it explode).</p> <p>Up to 20 hps</p>
