

Duxbury News

Year One

Spring 2

Spring is on its way!

On behalf of everyone in Duxbury Class we wish to say a big **"Thank You"** for all the time and effort you have put into our topic on Knights and Castles. The children have thoroughly enjoyed their learning and have produced some excellent work in their books and for display. The castles were a sight to behold, coming in all shapes and sizes and made our Celebration Feast a truly memorable occasion.

This half term in Duxbury Class your child will be learning about: from "Farm to Fork" as part of the Creative Curriculum. During the topic they will discover how food is grown, made into other products and then transported to our supermarkets. They will investigate healthy foods and even plan their own healthy meals after a trip to the supermarket. During math's they will be measuring in centimetres and metres and grams and kilograms. They will also begin to learn about fractions and word problems. The children will also be looking at Jack and the Beanstalk as well as poetry.

Check out the Duxbury Blog on the school website at www.stjosephschorley.co.uk or follow us on Twitter @Duxbury_class

Maths

A key skill in maths is to be able to count forwards and backwards to 100 from any given number.

Please practise with your child counting at home at any opportunity.

Have fun!

Parents Evening

This terms parents evening will be on Wednesday 5th April 2017 Letters and time slips will be sent out nearer to the time. However if you have any concerns please make an appointment to see us at the office.
