Spring 1

Is the moon made out of cheese?

This half term in Heapey Class our topic looks at the big question. *Is the moon made out of cheese?* In answering this we will look at different *learning challenges* every week. We can't wait to see who won the 'space race', compare two famous explorers and discover the wonders of our solar system. Thank you for all the hard work with the maths packs, these really will help your child secure their learning and have fun at the same time.

Please can you ensure that your child is not wearing jewellery to school this includes earrings!!!! Nail varnish is also banned and will be removed by Mrs Blackledge!

Last term we worked ever so hard and the class made lots of progress in their learning. This term we will be working even harder and ensuring we are making those steps to becoming 'Secure learners in Year 2' To see our daily learning follow us on Twitter @Heapey_Class to see what we get up to in class.

Don't forget to check out our class blog weekly to see what has been going on in class. Visit the school website at st.josephschorley.co.uk

Reading is so important! Please, please, please, read, read, read! I am amazed with the progress some of the children have made through sheer hard work at school and at home with reading. Some are nearly ready to move on junior books already!
