

Astley News

Welcome to St Joseph's School and Astley Class!

Autumn One

Mrs France

We have had a wonderful first two weeks getting settled into school life. Myself, Mrs Broomhead, Miss Bishop and Mrs Heneghan are very much looking forward to having a fun, happy, productive school year. We will shortly be running a phonics introduction session after school to inform all parents about how we teach phonics and tell you everything you need to know about the reading books your child will begin to bring home. A letter will go out with more information closer to the date.

This term in Astley class our topic is called "Jurassic World" which is part of our whole school topic 'Film'. We are delving into the world of Dinosaurs, learning all about the different types of Dinosaurs and what our world was like when it was their home and not ours. We will be re-creating Dinosaur fossils and comparing their bones to ours, looking for the differences and similarities. At the end of our topic we are hoping to put together our very own 'Jurassic World' film featuring lots of newly discovered dinosaurs! Our topic will cover all areas of development allowing each child to learn through their strengths, whether that is maths or music.

Things to remember:

- Names in all items of clothing.
- PE kit in school on Tuesdays and Thursdays.
- Wellies in school at all times for playing in the mud kitchen and impromptu trips to the Garden of Eden.
- Warm coats, hats and gloves as soon as it gets a bit chilly.

If you ever have any questions no matter how big or small please come and see us, either pop into class or make an appointment at the office for after school.

To keep up to date with everything going on in Astley class each week please visit our blog on the school website.
