## Hope you had a wonderful Christmas! Happy New Year

Welcome back after the Christmas holidays. We hope you all had a great time. Thank you for the lovely cards and gifts. This term is going to be busy and fun filled. Please listen to your children read each night and don't forget to sign the reading log. We have prizes for the pupil who has read the most in a week. Watch out for homework grids in the diaries this week.

This half term we are exploring monsters and aliens. We hope to visit the sea life centre and make some moving monsters. Our English will revolve around the theme of non-chronological reports and we will be reporting on monster sightings. We also hope to create our own monster or alien stories based on the water horse. In maths we are still learning our tables, we need to know these for all areas of maths. Keep practicing! Times tables challenges are going to be held each week in class.
