## Welcome to St Joseph's School and Astley Class!

Spring One

Mrs France

During Spring One Astley Class will be looking at the topic 'The Three Little Pigs'. We will explore the story, looking at the characters and learning the story so we can re-tell it. During our topic we will be experimenting with different materials to find out which material we should use to build a safe, wolf proof house.

Throughout this term if you have any concerns or queries please don't hesitate to come in to class and speak to us, or if you are unable leave a message at the office and I will call you back.

Happy New Year everyone! I hope you have all had a wonderful Christmas break with your family and friends. Once again I must thank you for the tremendous effort with the Nativity costumes last term, they all looked fantastic and we couldn't have done it without your help.

This half term I will be holding a 'stay and play' session to allow you to come into school in the afternoon and see how the children access math's in class, details will go out on a letter soon and we would love it if you could come and join in.

Things to remember:

- Names in all items of clothing.
- PE kit in school on Tuesdays and Thursdays.
- Wellies in school at all times for playing in the mud kitchen and impromptu trips to the Garden of Eden.
- \*No toys in school please, they'll be much safer at home\*

To keep up to date with everything going on in Astley class each week please visit our blog on the school website and follow us on twitter @Astley\_Class

### READING BOOKS ARE CHANGED ON MONDAYS AND THURSDAYS

It is very important they are reading every night and changing their books as often as possible (if you feel your child needs their book changing more often please let us know). Children also have a phonics pack which we will be updated on Mondays and Thursdays if it is brought into school.
