| Autumn 1 | <ul style="list-style-type: none"> <li>• Place value               <ul style="list-style-type: none"> <li>• Recognise the value of each digit in a 3 digit number.</li> <li>• Comparing and ordering numbers to 1000</li> </ul> </li> <li>• Mental and written Addition</li> <li>• Mental and written subtraction</li> </ul>  | <ul style="list-style-type: none"> <li>• Poetry - Kennings</li> <li>• Narrative - Pandora by Victoria Turnbull. Exploring the language used to develop settings. Writing own version of the story.</li> <li>• Non-Fiction - Non Chronological reports. Writing about some of the creatures we might see exploring the woods.</li> </ul>                                                                                        | <ul style="list-style-type: none"> <li>• Forces - In this topic we will be learning about magnetism and friction. We will be conducting various experiments and sharing our findings.</li> </ul>                                  | <ul style="list-style-type: none"> <li>• Homes - This topic explores God's hopes for every family and we learn how the Holy Family give us an example we should follow.</li> <li>• Promises - In this topic we learn about the promises made during the sacrament of Baptism.</li> <li>• Judaism - Through this topic we learn about the Jewish place of worship - the Synagogue.</li> </ul> |
| Autumn 2 | <ul style="list-style-type: none"> <li>• Mental and written multiplication</li> <li>• Mental and written division.</li> </ul>                                                                                                                                                                                                                                                                                  | <ul style="list-style-type: none"> <li>• Poetry - Poems on a theme - Christmas</li> <li>• Narrative - The Secret Shortcut by Mark Teague. Exploring adventure stories and continuing to develop settings in a story and learning about direct speech. Writing our own version of the story.</li> <li>• Non-Fiction - Diaries. Learning about different sentence structures and using a wider range of conjunctions.</li> </ul> | <ul style="list-style-type: none"> <li>• Rocks and Soils - In this topic we will be learning about the different types of rocks and how they are made. We will also be learning about the process of fossilisation.</li> </ul>  | <ul style="list-style-type: none"> <li>• Hinduism???? In this topic we learn about the special places for Hindus.</li> <li>• Visitors - This topic teaches us that Advent is a time of preparation for a special visitor.</li> </ul>                                                                    |

## Creative Curriculum Overview Year Three Autumn 1

### Art

We will be using our sketch books to collect ideas and use these to create 3D models and paintings in the style of famous artists.

### Music

During music lessons we will be listening carefully to a range of pieces of music and discussing our preferences and the instruments we hear. We will also develop our singing skills to have better control over our voices.

### Visits/Visitors

Walk around our local area using maps to find locally protected woodland.

### PE

In PE lessons we will be focusing on indoor athletics and developing throwing and jumping skills as well as learning about fitness and stamina.

### Into the Woods

Are trees beautiful?

Should we protect trees?

Are there any famous trees?

### Geography

In this subject we will be using a range of maps to help identify protected trees and woodlands in our local area and nationally.

### Computing

We will be developing our research and publishing skills to create our own 'Tree Guinness Book of Records'

## Creative Curriculum Overview Year Three Autumn 2

### Art

In art we will be learning how early Britons communicated using cave art. We will be looking at different ways of creating texture using paint and a range of tools.

### Music

During music lessons we will be getting ready for our Christmas performance. We will be learning to sing a range of songs and performing as a choir.

### Visits/Visitors

A geology expert will come into school to work with the children on classifying rocks for their

### PE

In PE we will be beginning to learn about Yoga and develop a dance to perform for our friends.

## Early British History

What was life like in Neolithic times?

How can we tell people about  
life in the Neolithic Age?

### History

We will be learning all about life in early Britain and finding out how the lives of people changed from housing to beliefs. .

### Computing

We will be using all the information we have learnt about the Neolithic Age to create presentations for others to read/see/use.
