## Creative Curriculum Overview Year 2

### Art

We will focus on a famous artist and use collage to create a picture in the style of Giuseppe Arcimboldo

### History

For our history work we will be comparing and contrasting two famous explorers Christopher Columbus and Neil Armstrong. In particular we will be learning about the space race and use different sources of information to retell the first moon landing.

### Music

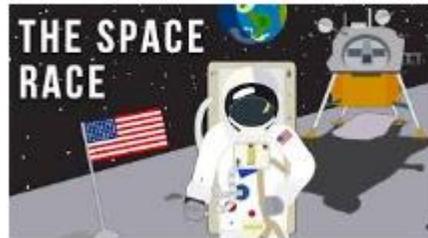

We will be learning a rock song "I Wanna Play in a Band" As part of this we will be adding claps and playing musical instruments.

### Is the moon made out of Cheese?

What is so special about the planet we live on?

Would I recognise a famous explorer?

Who won the race to the moon?

### Visits/Visitors

We will be using our local area to explore just like the famous explorers of the past. An explorer will come to the class to visit.

### Geography

We will use map skills to locate different countries who travelled into space on a map.

### Computing

We will be learning how to create and debug simple programs as well as learning how to search safely on-line.

### PE

In PE we will be focusing on gymnastics, learning how to perform various moves and balances to create a routine.
