

STAR WARS Homework Grid

Our creative curriculum topic this half term is a whole school topic called 'Night at the Movies.' In Year 6, we will be focussing on Star Wars. Below are the homework tasks based on this topic. The children will also receive additional maths/literacy homework where/when we feel it necessary. Please choose 3 or more of the activities to be completed at any time during, but no later than 21st October. Homework will be marked and house points received as it is returned to school. If children are using the internet, please don't allow them to simply copy and paste the work. It needs to be re-written in their own words at their level of understanding to be of any use. Finally, please be sensible with homework; we realise how busy family life is and how time can be squeezed! Thanks, Mr. Broomhead

<p>Create a model of a famous Star Wars spacecraft (e.g. Death Star, Tie Fighter etc.)</p>  <p>Up to 20hps (D.T)</p>	<p>Research Pop Art. What is it? Which artists are known for this style? Can you create your own artwork in a Pop Art style?</p>  <p>Up to 20hps (Art)</p>	<p>Choose a location around the world (e.g. desert, ice, jungle). Design a new animal that is adapted to survive in that environment.</p>  <p>Up to 20hps (Science)</p>
<p>Choose your favourite song/score/soundtrack to a movie. Describe why it is your favourite soundtrack. How does it make you feel? What instruments have been used in it? Bring in a copy to listen to as you describe why it is your favourite. #</p>  <p>Up to 10 hps(Music)</p>	<p>Write your own story for a movie with a sci-fi setting. Things to consider: aliens, spaceships, new planets, new weapons.</p>  <p>Up to 20hps (Literacy)</p>	<p>Write a character sketch for a character from one of your favourite movies. What are they like? What do they look like? What is likeable/dislikeable about them and more?</p>  <p>Up to 20hps (Literacy)</p>
