

Duxbury News

Year One

Autumn 1

Hope you had a lovely Summer break! ★

Firstly a very warm welcome to Year 1 Duxbury Class! During the next few weeks your child will be settling into a new class routine and becoming familiar with their new teachers and surroundings. If at any point you have any questions or concerns (however big or small) please feel free to pop in after school or make an appointment through the office.

This half term in Duxbury Class your child will experience a wide range of Mathematics and Literacy activities along with a Creative Curriculum topic called "Dinosaurs!" This will link to our whole school topic on "Films/Jurassic Park". During this topic the children will learn through music, science, geography and art. They will take part in a range of written and practical activities such as:

- A Seasons/senses walk to discover about the environment and how their senses work.
- Using maps and Atlases to find out about the world and the animals that live there.
- Looking at Fossils and creating fossil sculptures.

In Year 1 your child will need to bring the following into school:
* Reading book/Record(every day).
* PE kit for Mondays and Fridays
* A pair of labelled wellies for our trips to Eden!

Rewards

Each day star badges and stickers will be awarded. We love to reward the children for:

Good listening, Lovely Manners,
Magic Maths, Fantastic Sentences
and Fabulous Phonics.

We've been very busy learning.
