Duxbury News

Year One

Autumn 2

Hope you had a lovely Half Term break!

Firstly a very warm welcome back after the Half Term.

Story Sacks

This Half Term the children will be working hard to achieve "Star of the Day" badges. These will be given to children who try hard in their work, are a good friend to others and also a role model for our school.

As part of the reward they will also bring home a story sack to share with their families and we hope you all enjoy the experience.

This half term in Duxbury Class your child will experience a wide range of Mathematics and English activities along with a Creative Curriculum topic called "On the way to Bethlehem!"

The children will also learn about E-Safety through the story of "Tim and Tom and the mobile phone".

In English we are learning about traditional tales and how stories open and the vocabulary used. Very soon your children will be writing their own stories.

In Mathematics we are concentrating on number bonds and subtraction. The children will begin to write subtraction equations linked to number stories.

MATHS CHALLENGES

Little and often is the way to go, have fun!

Homework

In Duxbury Class reading each night with parents is the main form of homework; however we have been sending spellings home as well. Please remember to practise them every night.
