Year One

Summer 1

Summer is just around the corner....we hope!

Welcome back to school after the Easter Holidays.

We hope that you had a restful time and that your children are rested and raring to go for the Summer Term.

Please remember to return your sunflowers so we can continue to watch them grow!

This half term in Duxbury Class your child will be learning about: "The Seaside" and how it has changed over time.

During creative curriculum they will be designing, creating and evaluating making an underwater creature as well as developing their creative talents! Through the Geography topic they will discover how to read a simple map, design their own maps and even explore the key human and physical features of our school locality.

During math's they will continue to develop their numbers skills through word problems as well as learning to multiply and divide. In English they will look at Narrative stories using the books "Katie Morag" and even write their own Seaside tales.

Check out the Duxbury Blog on the school website at www.stjosephschorley.co.uk or follow us on Twitter @Duxbury_class

What's the time Mr Wolf?

By the end of the year your child will need to know how to tell the time to the nearest hour and half an hour using a clock with hands.

Please practise with your child at home at any opportunity.

Have fun!

Date for your Diary

**Monday 10th July
Trip to Manchester Airport**

More details to follow next term
