

Heapey News

Mr Hansen

Autumn 1

We hope you have had a lovely summer break!

Firstly a warm welcome to Year 2 Heapey Class. We hope your child will have a happy, enjoyable, productive year. Myself, Mrs Harrison, Mrs Taylor and Mrs Bades are always on hand to answer any questions however big or small so please feel free to pop in or make an appointment to see us.

This half term our whole school topic is 'Night at the Movies' Heapey class will be learning about Jurassic Park (dinosaurs). We will look at different *learning challenges* every week. In answering these we will learn differing skills and knowledge through geography, science, history, art, IT, literacy and maths. Look out for a new challenge each week in your child's homework book. If you have any books or resources that would help us with our learning please bring them in.

Library books are changed every Monday. Please check names are in all items of clothing.

Mental maths at home. Number bonds to 10 and 20. Please work through the Key instant recall facts that will accompany this newsletter. Also counting forwards and back to 100 will also greatly help your child's learning.

Don't forget to check out our class blog weekly to see what has been going on in class. Visit the school website at stjosephschorley.co.uk

Develop a love of reading! Read, read, read. Your child can change their book everyday so please ensure it is in school every day and try and read a little every night.
