Meet the Greeks!

Please could you try to ensure your child reads every day. If they don't read their home reader but are reading a book, magazine or something else at home please just make a quick note of it in their reading record. Every time children read, they earn a raffle ticket for our weekly prize draw.

This term in Yarrow class our topic will be **Meet the Greeks!** We will focus on the two major cities of Athens and Sparta and will be looking at the differences between the two cities. Children will also experience the taste of Greek food and will be looking at whether the ancient Greeks would've eaten at McDonalds. Other learning challenges that children will tackle include:

- ...going for gold?
- Could I become a Greek sculptor?
- What did the Greeks believe in?

In Science, we'll be looking at the circulatory system, which we will link into how the Olympics were formed, during our Greeks topic.

Dates for your diary:

- 10th February 2017: Finish for half term
- 20th February 2017: Back to school

TIMES TABLE ALERT!!

This half term, we have started our new times table tracker. Every few weeks, children will be trying to earn their next times table medal as they aim for diamond! Children need regular, short bursts of practice to keep their skills up, which will also help them in their other areas of maths work.
