

# HOMWORK GRID

This half term we will be learning about the 'Vicious Vikings'. Below there are 6 different activities linked to our topic or other subjects we will be learning about that can be completed during the coming half term. The ones marked with a ★ **must** be completed but all the others are a free choice as long as 3 out of the 6 are done before 31<sup>st</sup> March. Please don't feel as though they need to all be done in one week, they can be handed in as and when you have time. Make sure you complete your work to a good standard as scruffy work will not get the full amount of house points. If you have any questions about the activities please do not hesitate to ask.

<p>Use the attached sheet to have a practice at division calculations. Look at how I have set it out.</p> <p>5hp★</p>	<p>Write a Viking God Fact file.
