

# Homework Grid

This half term our topic is Rock and Roll Stone Age. Please choose 4 of the activities that are listed below but don't forget that the ones marked with a ★ **must** be done. Please try and get into the good habit of trying to do one a week so that I do not have to keep reminding you each week and that it is not all rushed at the end. Homework is just as important as class work and should be done to the same kind of standard, if it is rushed and messy I won't give you the full amount of house points. Remember this should be your own work and not just copied straight from the internet, use the internet for information but write it in your own words. Please have all of your homework completed by Friday 16<sup>th</sup> December. Have fun and I look forward to seeing what you produce.

<p>Think back to all of the work we did last half term on diary writing. Write a diary about something you have done recently that was really interesting. It could be a day out or when your team won a football match. Think about the 4 different parts of the day: morning, lunchtime, afternoon and night. These could make up 4 different paragraphs</p> <p style="text-align: right;">★</p> <p>5hp</p>	<p>Take a walk and see if you can find a rock. Look at it carefully and draw it on the sheet. Use the words in the box to try and describe your rock.</p> <p>3hp</p>	<p>Practice your column addition and subtraction on the worksheet. Make sure you set it out the way we have learnt. I have done one of each to remind you.</p> <p style="text-align: center;">★</p> <p>5hp</p>	<p>GOOD is banned!!!! Make a list of all of the words you could use instead of describing something as good.</p> <p>5hp</p>
<p>Use the picture of the girl holding a parrot to write a 2A sentence, a SHORT sentence, a BOYS sentence, a Double LY sentence, Ad, same Ad sentence and a sub starter sentence. (Mums and Dads they <b>DO</b> know what all this means)</p> <p>5hp</p>	<p>Have a look around your house and in the local area. What is stone/rock used for? Make a note of all of the things that you can see that are made out of rock or stone. Be careful though because somethings are made of plastic then painted to look like stone or rock.</p> <p>3hp</p>	<p>Stone Age people would make jewellery out of stones, nuts and shells. Have a go at making your own Stone Age style necklace or bracelet. (Boys you can do this one if you want as men would have worn jewellery too). This website has a good explanation of how you can make one.</p> <p><a href="http://timetravellerkids.co.uk/uncategorized/make-a-stone-age-necklace/">http://timetravellerkids.co.uk/uncategorized/make-a-stone-age-necklace/</a></p> <p>10hp</p>	<p>Learn the month poem attached to this sheet so that you know how many days there are in each month.</p> <p>3hp</p>
